

Coaching Position Available

The *Cole Harbour Hurricanes* is a competitive summer swim team designed to develop and maintain an appreciation of the long-term benefits of life-long fitness skills for all ages and levels of children, not just for the summer but for life!

We are looking for a Head Coach for the 2018 Summer Season dedicated to supporting our team philosophy, with the ability to incorporate both land training and nutrition components into a daily swim practice schedule.

Head Coach position available.

Term:

April to August 31, 2018: Full-Time Hours, actual start date & hours flexible / to be agreed upon.

Qualifications:

- Level One *NCCP Swimming* Certification,
- Level Two *NCCP Swimming* Certification an asset,
- Knowledge of various land-training components,
- Knowledge of various nutrition components an asset,
- Experience supervising, mentoring & managing assistant coaches and volunteers (swimmer & parent) an asset,
- Knowledge of *HY-TEK Team Manager* Program an asset.

Responsibilities:

- To work with a group of approximately 40 children aged 5 -18,
- To work co-operatively with Program Coordinator & other coaches in initiating, developing, teaching and supervising a competitive summer swim team program designed to develop, strengthen and enhance swimming and fitness skills in children,
- To provide coaching plans for practice sessions, which will include land-training and nutrition components, while teaching the fundamentals of summer competitive swimming,
- Participate in land training component of program,
- Mentor athletes and families in healthy active living through education and example,
- Prepare athlete reports, newsletter articles and various team-building and social opportunities.
