

April 17, 2020

Swim Nova Scotia continues to be committed to the health and safety of our community, and we continue to closely monitor the developments around the Coronavirus (COVID-19) pandemic.

Effective immediately, Swim Nova Scotia is extending the restrictions to all club activities indefinitely. Until notice is provided by Nova Scotia's Chief Medical Officer of Health to lift the Provincial State of Emergency, Swim Nova Scotia registered Year-Round, Masters and Summer Clubs may conduct limited activities within the restrictions outlined in the Health Protection Act Order and our Insurance guidelines.

When things change from **RED** to **AMBER** to **GREEN**, we will continue to work with our partners and stakeholders to understand what that looks like. A plan that is reasonable and manageable will be established with the intent for clubs to become stable, and our coaches to deliver programming. Until such notice has been received by our Province's Chief Medical Officer, Clubs are restricted to conducting online and virtual training only, there are to be no in person activities of any kind.

As always, I am committed to providing the membership with updates and information as I have it available to me. Please reach out with any questions you may have, I am available via email or on my mobile phone 902-497-2088.

Let's continue to work together to save lives and help flatten the curve!
