

March 27, 2020-1:30pm local time

This remains a challenging time, one that asks much of the swimming community. The Coronavirus (COVID-19) pandemic is fast moving and our responses have also moved quickly to keep up.

Swimming Canada has cancelled all remaining 2020 National events, this includes the Canadian Masters Swimming Championships (May 22-24, Etobicoke, Ont.), Canadian Junior Championships (July 22-27, Montreal), and Canadian Swimming Championships (Aug. 6-9, Edmonton). Please see the official memo from Swimming Canada that contains the details on their [webpage](#)

Please note that all Nova Scotia events/competitions (Year-Round, Masters & Summer) that have been scheduled by Swim Nova Scotia May 1-August 31, 2020 are tentative and subject to change (this includes, dates, locations, formats, etc). Swim Nova Scotia hopes to have further information to our membership in early/mid-April as it relates to a safe return to training and competition later this season.

Under the guidance from the Nova Scotia Chief Medical Officer, Government of Nova Scotia and Canada, we will continue to monitor the situation daily and advise on this status as new information becomes available.

All members are reminded to follow the advice of Nova Scotia's Chief Medical Officer and all Government Officials. Additional details and up to date information can be found on the Nova Scotia Provincial Government [webpage](#)

Additional resources from the Public Health Agency of Canada: [webpage](#)

Swim Nova Scotia would like to thank the swimming community for your ongoing patience and cooperation. The health and well-being of our swimming community continues to be our top priority. Let's continue to work together to flatten the curve...

If you have any questions, concerns or comments, please do not hesitate to contact me.
